Show times TBD

We will do our best to not veer from this schedule, but may need to add a rehearsal as we get closer to the show, or maybe even are able to cancel a scheduled rehearsal based on dancers' knowledge of choreography. We will video each class with music and send out private links for dancers to rehearse at home. It is a very important part of this process, that dancers are rehearsing at home. If they are keeping up with the choreography at home, we can keep rehearsals at the studio to a minimum. Thank you for helping hold your dancer accountable for the part they have been given! It is going to be such an incredible show!
